HOUSE COMMITTEE

ompletes the Naval Appropriation Bill-Measure Carries Between \$36,000,000 and \$37,000,000.

WASHINGTON, March 22,-The house mmittee on naval affairs completed the naval appropriation bill Monday afternoon and it will be reported to the house Tuesday. While the footings of the various items were not completed when the committee adjourned, the bill is roughly calculated as carrying between \$36,000,000 and \$37,000,000. of which about \$3,000,000 will be expended on this year's work on the three new battleships, six torpedo boats and six torpede boat destroyers. The committee had a long session Monday giv ing final touches to the bill but there was no significant change made, the important items standing as hereto-fore announced. The bill may be Brought up in the house Wednesday.

Representative King, of Utah, introduced Monday the following heart resolution recognizing the independ
